To West Volusia Business Professionals:

I would like to take this time to say **Thank You** so much for the generous donation of all the food you made to our organization in December 2009. It is people like you who give so unselfishly to help people in our own community. We see so many families that are going hungry today and because of you, we are able to help give them a good meal or a few good meals. For all of this they are so thankful, and so are we.

Through your generosity, you have joined The Salvation Army in our fight against hunger and despair. To someone with very little, your caring means everything. Together WE will help work miracles in the lives of the less fortunate in our community.

I would like to also extend a special appreciation to The Holiday Inn Express Orange City and Regions Bank for the donations of the boxes and allowing us to place the boxes in their lobby.

Again, thank you so much for your thoughtfulness and may God bless you abundantly.

Thank You and God Bless,

Captains Luis and Vilma Rodriguez
